NAMIWalks Nationwide

NAMIWalks' public, active display of support for people affected by mental health conditions is one important way we are changing how Americans view people with a mental illness. NAMIWalks brings together families, individuals, coworkers and businesses to help raise funds, combat stigma and promote awareness. NAMIWalks is the nation's largest and most successful mental health awareness and fundraising event. In 2015, 79 NAMIWalks events raised nearly \$11 million to support local programs and initiatives that improve the lives of persons affected by mental illness.
